BRAND STORY

ALLBYB is a contemporary brand that offers unique selections of stylish and high-quality hand-made women's bags

As ALLBYB family, we set out to be a brand that touches hearts. In this journey that we created by combining the passion of a mother and daughter, we aim to inspire our women with love and power. Each knitted AllbyB bag has been woven with the story of the lady who made it.

That's why ALLBYB is not just a bag brand, but a special friend with a beautiful story it carries. ALLBYB combines different techniques of hand-craft with the enthusiasm of color in every design. In the making of these unique bags, we come together with Women Unions and housewives from different regions of Turkey. We are willing to be that one special friend that everyone wants in their lives, a friend who cares about protecting earth, nature and animals.

You can start a special journey for yourself with the motto 'Carry Love Wherever You Go' by carrying the colors, love, and beauty of your life with ALLBYB bags!
